

Raffles

WHITESPADE

*a Malaysian-based interior design company
that believes every purposeful design
has to solve at least a specific problem*

Raffles
College of Higher Education
KUALA LUMPUR

SLOW COFFEE BAR
Location : The Hub SS2
Project Type : Food & Beverage - Cafe

We embrace a **holistic education** through the development of superior thinking processes, the mastery of communication, and the acquisition of thorough and effective work methods.

*Our curriculum and pedagogy are designed to be **industry-focused** and relevant. Our students are empowered to innovate with creativity. The skills that our students acquire will far exceed the knowledge and expertise of the profession, setting them on the road to success.*

Raffles | Vision & Beyond

Our vision is to be the premier education group

Raffles | Grand Mission

We are committed to provide quality education and related services through our network of institutions

Since establishing its first college in Singapore in 1990, Raffles has grown to operate **22 colleges & universities across 12 countries**

Raffles | Global Advantage

Our flexible inter-school transfer scheme allows students to study at any of Raffles' network of colleges and universities, immerse themselves in different cultures and experience living overseas. Students who are enrolled in Raffles benefit from a quality education with a well-rounded hands-on experience relevant to the industry. This enables them to improve their career opportunities.

Studying in a multi-national environment enables our students to expand their personal network, be exposed to international perspectives and greatly enhances career opportunities beyond their home country.

inter-college transfer

Raffles | About Raffles Kuala Lumpur

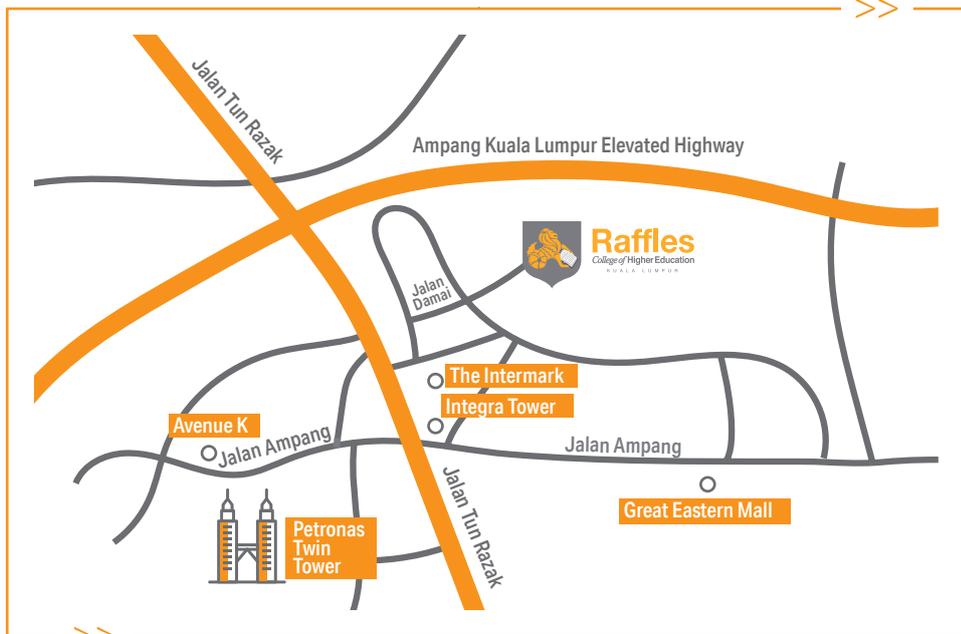

Established in in 1994, Raffles College of Higher Education (Kuala Lumpur) is part of Raffles Education Corporation.

At Raffles Kuala Lumpur, we offer a range of courses in Design, Business and Psychology. We are committed to nurturing creative talents and management expertise for the creative design, management and science industry. Our industry-focused design courses provide practical vocation skills where emphasis is placed on nurturing designers not technicians. Our business courses offer students pursuing a business qualification the opportunity to study in a creative learning environment with a flexible study schedule. Psychology students will benefit from the many real case studies and actual clinical internship postings.

Studying in a **multi-national environment** enables our students to expand their personal network, be exposed to international perspectives and greatly enhances career opportunities beyond their home country.

Raffles | Getting Here

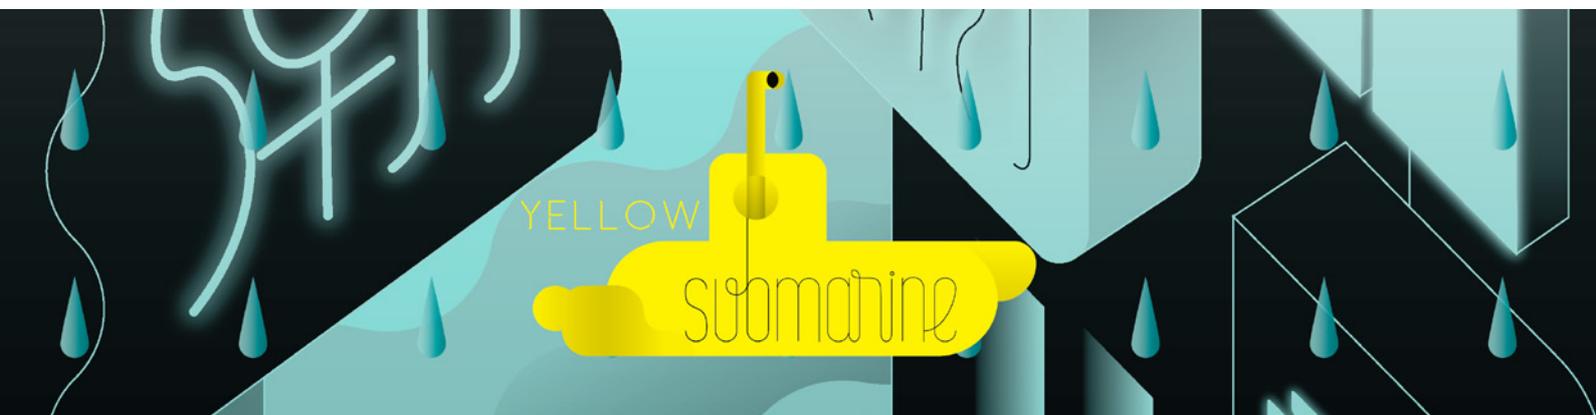

Reaching out to Raffles Kuala Lumpur is not complicated due to the fact that it is located in the heart of KL City. Any means of transportation can get you to Raffles effortlessly. Nevertheless, there is no such thing as being too careful, you can read the map here to get to Raffles Kuala Lumpur

Raffles | Vibrant Campus

Located in the heart of the city, Raffles Kuala Lumpur campus presents a contemporary design with spacious layout to provide a creative and conducive learning environment for students.

***It can be an uphill task to select the right field of study,
as our future depends on it.***

*It is about understanding yourself better and discovering
what you are passionate about and to unlock your potential.
We offer various courses in Raffles Kuala Lumpur in order
to help you pursue your dream and achieve your success*

Campus Life

Raffles | Student Life & Activities

Raffles Kuala Lumpur brings you adventurous learning experiences whereby students participate in extra-curricular activities that help enhance students' self-esteem, motivation, social & soft skills.

Apart from that, students will be able to watch their own designs and business ideas unfolded, thus, spurring their creativity that underpins the business principles learnt.

International Study Field Trip

One of the exciting and thrilling activities that Raffles Kuala Lumpur offers our students were a short trip to Paris and a study tour to Tokyo, Japan. Paris was a fashion merchandising focused event that is participated by both Fashion Design and Fashion Marketing students, whilst Japan was dedicated to our Interior Design students exposing them to commercial, public space

and sustainable design in first world city of Tokyo. Raffles Kuala Lumpur believes that learning should not only be about the quality of student's learning, but exposure is as important for students. **We strongly believe that the best kind of learning happens beyond the confines of the classroom.** With this, students' experiences are more compatible with the real world.

Raffles Kuala Lumpur also presents students with the opportunity to ***collaborate with various well-known companies.*** This helps students to gain status and recognition for their work. Students will also be able to train and build their competency for working in the near future.

Collaborations

Work Hard And Relax

Just a 15-minute walk from the campus, you will find Petronas Twin Towers and the Suria KLCC mall, which are home to numerous food and beverage outlets, clothing lines, grocery stores, and cinema outlets. So get a few friends together and head over there after class on a Friday evening to start your weekend with the latest blockbuster movies, or simply meet up to unwind with some retail therapy.

Access To Everything You Need

Strategically located in the heart of the city, the campus is close to stationery shops, banks, ATMs, clinics and hospitals, cafes, bakeries, and places to worship. Everything you need can be found within walking distance, which means that our students can easily get anything they are looking for within minutes.

Travel With Ease

Kuala Lumpur Public Transport has developed into one of the most modern transportation systems in this region. It has a comprehensive network of buses, taxis, monorail, light rail transit and commuter trains that provide convenient and quick access to various parts of this city and its surrounding.

Be Part of The Community

Being right in the centre of the city, Raffles Kuala Lumpur offers access to numerous local events, entrepreneurs and companies that are always looking to collaborate with students. The college links students to various opportunities where they can be part of a young and enthusiastic community. As a new student you will be able to participate in these activities.

The Malaysian city of Kuala Lumpur,

commonly referred to as “KL” is a real melting pot of different cultures, which makes it one of the most exciting destinations in Asia for visitors to explore. The city boasts a large number of world famous attractions, while food lovers will be able to sample traditional Malay, Chinese and a large number of other types of cuisines from around the world.

Kuala Lumpur is poised to be an international giant in its own right, a globally competitive city of international commerce and infrastructure housing the world’s best industry players. It will be magnet for international talent and various nationalities, filling up the estimated 4.2 million job opportunities in 2020 in what is hopefully one of the world’s top 20 most liveable cities.

Living in Kuala Lumpur

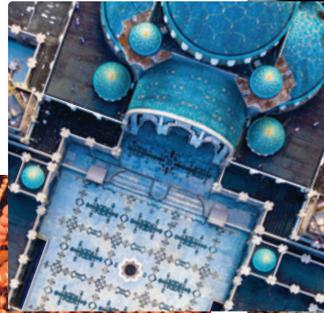

Hot Spot

Some of the popular hot spots in Kuala Lumpur are the Petronas Twin Towers, which features a lake with daily fountain shows, a park and a shopping mall. The KL Tower, where you can dine in a revolving restaurant, or capture a 360-degree view of the city. Chinatown and Little India are also popular destinations, with lively and vibrant markets offering all sorts of things from food to clothing at bargainable prices.

Food Hub

Kuala Lumpur is home to many culinary options, an array of local, traditional as well as international food are available at every corner. From hawker stalls to fancy restaurants, you will never be out of options for food.

Raffles | International Aspects

The International Experience

Immerse yourself into the city with diverse culture and stay within the most exciting city in Asia.

Kuala Lumpur,
creativity driven.
Passion infused.

Raffles | Academic Pathway

Raffles Kuala Lumpur is the perfect introduction to local creative industries. Start as early as 17 and you'll embark on an exciting creative journey in no time, or continue to pursue your degree studies.

>> Subject to meeting Raffles Kuala Lumpur entry requirements and subjects prerequisites.

SHEER

Raffles | Campus Support

People may not realise but they are many creative spaces around us. Raffles Kuala Lumpur has a few creative spaces available for students to work and nurture their creative minds. The creative spaces available are an Incubation Room, a fully equipped Jewellery Studio, Library, and students inspiration Interior Design Resources Room.

Creative Spaces

English oriented

Foundation English

The English Language Programme – Foundation Level at Raffles Kuala Lumpur is designed to help those students who have not yet achieved the necessary English proficiency level required to join our programmes. This course helps in the development of listening, reading, writing and speaking skills, with emphasis given to academic English.

Advanced English

The Advanced English Language Programme – Advanced Level at Raffles Kuala Lumpur is designed to help those students who have not yet achieved the necessary English proficiency level required to join our programmes. This course helps students to practice and develop skills and strategies by completing IELTS-style practice tests in reading, listening, speaking and writing.

All classes are conducted in English. Students who do not hold the minimum language requirement are required to sit for an English proficiency test conducted by Raffles Kuala Lumpur. If necessary, students are required to take the English Language Programme (conducted in-house). Our English Language Programme are intensive courses that cover a period of 3 months per level.

Creative Triumphs

Raffles Kuala Lumpur emerged as

The Creative School of the Year 2016 in The SCO°LERS Awards –

Malaysia's first and only creative awards for students. This project endeavours to bridge the gap creative students often face when transitioning from the classroom to the workforce with the aim to create a platform for them to showcase and sharpen their skills in the real world and receive real world feedback.

We consistently produce award winners in the various design disciplines. Our students award winning achievements are not only limited to local competitions but as well as international competitions.

1.

Nigel Chia

Graduation Year: 2014 | **Fashion Design**

Nigel Chia embraces time-honored couture techniques with a modern sensibility to create unique and feminine pieces for contemporary women. A combination of contrasting elements defines the prêt-à-

couture house: Nigel Chia is traditional and modern, organic and architectural, sumptuous and pure.

2.

Joe Chia

Graduation Year: 2013 | **Fashion Design**

Joe Chia is a fashion label known for its modern interpretation of masculinity and femininity. It embodies entwined classicism and experimental pieces that stand the test of time. The label has a distinctive discernment of

thought-provoking silhouettes with nuances of monochromatism and functional essences being woven through whilst maintaining a strong tie to traditional and urban origins.

3.

Man Chien

Graduation Year: 2011 | **Fashion Design**

Man Chien is a Malaysian based wearable art maker. She is known for creating hand-painted garments, which mainly revolve around discussion of existential philosophy and emotion/ thoughts documentation. Many of her work is noted as impeccable,

tedious craftsmanship; one of her wearable art project: The NORNS discusses the perception of time, featured wool-felting technique, an ancient textile process, where she hand-felted textiles out of Merino wool roving.

4.

Moto Guo

Graduation Year: 2013 | **Fashion Design**

Moto Guo made headlines everywhere as the first Malaysian fashion designer selected for the prestigious LVMH Prize. Moto Guo is a Malaysian-based menswear designer with an eponymous label officially launched in 2015. His graduation

collection, "Out Like A Light" featured a delightful assortment of designs that are tell-tale signs of his identity; wacky yet dexterous.

Success by *Design*

Awang Low & JC Lau
2007 Interior Design Graduates

Whitespade - Our take on design is such that every purposeful design has to solve at least a specific problem; and it must be done with concerns towards its' context. The context could mean its' immediate surrounding or environment, people, culture, or current social issues. The response towards these concerns naturally interprets itself into design details. It is the very same reason why wainscoting is three feet above the floor and attap houses are on stilts.
